

Please find information about the University of Cumbria.

The University of Cumbria is fully committed to delivering exceptional and professional higher-level learning to meet the demands of an ever evolving workforce and emerging markets. They do this by expanding opportunities, deepening connections to industries, while equipping all students with the ability to thrive wherever in the world they choose to live. Campuses are located in Carlisle, Lancaster, Ambleside; the only UK university within a National Park and UNESCO World Heritage Site, and London. Being based at these key historical locations throughout Cumbria and North Lancashire allows the university to understand, work with, and benefit from a large network of institutions and communities.

With a proud history offering arts, business, law, policing, science, conservation, sport, health, social care, rehab and teacher training programmes to people nationwide, the institution ranked 1st in the UK for the quality of its education according to the Times Higher Education Impact Rankings 2020. It enriches people by providing a safe and supportive environment, as well as innovative academic opportunities, such as providing degree apprenticeships, CPD and foundation courses through further education partners, making the impossible possible for more students. Whoever you want to be, whatever you want to achieve, we've got you.
