## HIGHER EDUCATION & NATIONAL APPRENTICESHIP WEEK (7TH-11TH FEB 2022)

Safeguarding all our learners is a high priority at Lakes College. Apprentices and employers are no exception and in particular reaching out to ensure learners (and their employers) in the workplace feel supported and informed of our commitment to them. Building on information you have acquired through your course induction and reference material in your course handbooks we can ensure you are confident in who you can share and report safeguarding concerns with. We are focusing on some specific themes this year. Below provides links to some example resources and information on these topics:

### ONLINE SAFETY

Online Safety is being aware of the nature of the possible threats that you could encounter whilst on the Internet, these could be security threats, protecting and managing your personal data, online reputation management, and avoiding harmful or illegal content.
